

Linda McCulloch MONTANA SECRETARY OF STATE

Offices of Government

Materials

Construction Paper (Four Colors)

Brad or Stapler

Markers

Instructions

Have students cut out a circle from each color of paper. *One semi-mall, one small, one medium and one large.*

Label the circles as follows: (from smallest to largest)

Offices of Government

Local

State

Federal

Have students write down the various elected offices that serve each of the different levels of government.

Discussion Questions

1. What are the different levels of government?
2. How are they different from one another?
3. How are they the same?
4. What are some duties that go along with each of these offices?
5. Who are our local, statewide, federal elected officials?
